★ Next Step Triple Threat Company Auditions ★

Is your child interested in being part of a group of aspiring dancers and performers who want to reach their full potential and continue to grow into confident, creative, and poised individuals? *Next Step Broadway* has created a performance/ competition team so that aspiring dancers have a path in which to follow to help them reach their full potential.

The goal of *Next Step Broadway* is to support dancers and encourage them to become the best versions of themselves. In order to achieve these goals, Ms. Amy has created a culture where her dancers are like family.

Our team will participate in multiple dance competitions, conventions, and community performances throughout the dance year. While we would like all prospective team members to audition so that they may be placed in the appropriate level, any dancer who is interested will automatically have a spot on the team. There is a place for everyone!
