★ No need to set up ★

We provide plates, napkins, cups, plastic ware, and basic party decorations. We only provide enough for the party kid's guests and the birthday kid's parent(s). We do all of the set-up and clean-up! All you need to bring is cake, candles, kids, and refreshments. Pizza is optional that the birthday kid's parent(s) provide. You get to pick two colors for the party decorations.
Popular colors: Hot Pink and Turquoise / Hot Pink and Purple

★ Learn an awesome dance routine ★

The 'star' child and their guests will be taught a fun, simple, yet age-appropriate dance routine and will be able to give a 'mini-performance' at parent pick-up time.

★ Fun, fun, and more fun ★

*The fun begins with a disco dance party. Then the partygoers will do a warm-up, learn some basic steps, and do across-the-floor exercises. Then they'll go to another room that will be decorated for the cake & refreshments (provided by parents). After singing 'Happy Birthday' the partygoers will learn a dance routine. At parent pick-up, they will perform for all of the parents. Please note that ages 5 and up are typically drop-off parties. Only party kid guests are allowed in the dance and party rooms. *Order of the party depends on the flow of the party.
